

REMARKS

The present amendment is submitted as a response to an Non-Compliant Notification dated May 1, 2008 issued in which the Abstract was required to be on a page separate from the amendment to the specification.

In view of the above amendment and arguments, applicants submit that the claims are patentable over the cited art. Notice thereof is respectfully awaited.

Respectfully submitted,

Pinchas SHALEV, et al.

Martin D. Moynihan
Reg. No. 40,338

Date: May 15, 2008
